To whom it may concern,

It was a pleasure to have AM Fire & Electronic Services, Inc. work on Fire Station 45. They were the low voltage sub-contractor to the general contractor at Station 45. They also completed work for Las Vegas Fire & Rescue under separate contract. I would recommend AM Fire & Electronic Services, Inc. without hesitation for future projects.

If you have any questions, please call me at 229-0353.
